The **Calgary Junior Chess Club (CJCC)** is a non-profit organization that has operated for more than 10 years. We are dedicated to promote chess to juniors (age 20 or under) in the Calgary area. The CJCC organizes and directs chess tournaments (club events, regional, etc) at least once a month, all year long. We do not charge any membership fee; however, we encourage all of our junior members to be a member of the Chess Federation of Canada (CFC) and Calgary Chess Club (CCC). Our chess events are rated by Chess Federation of Canada and/or Chess n' Math Association.

We are affiliated with the Calgary Chess Club. The Calgary Chess Club has provided funding to our juniors to participate in out-of-city events and has sponsored many of our special events. Also, the Calgary Junior Chess Club is recently working with the Chess-in-the-Library program in providing chess lessons and tournaments in public libraries.

We also have highly-trained chess instructors who love to teach chess to junior players. Please contact them for individual and/or group lessons.
